This six-week online workshop is offered as an in-depth, experiential training of The Nurtured Heart Approach® and is designed for any overwhelmed parent, educator, or clinician who has found conventional methods have fallen short in helping children with intense behaviors thrive despite the best of intentions.

****Attendance to all six sessions is recommended****

INCLUDES:

- 1 hour session per week presented via Zoom with videos, exercises, Q & A, stories, examples, interactive feedback, etc.
- 30 minute interactive feedback sessions every other session after the first session for anyone who wants to collaborate with fellow learners (optional)

This in-depth engaging workshop will help you:

- deepen the connections and attachments with children in your world
- gain new perspectives for approaching intense behavior in children where they see it as a gift rather than a deficit
- learn tools and strategies for building the Inner Wealth™ of all children and approaching intense behavior
- learn how to set clear boundaries and limits that empower you and your children
